Planning and running our Show in financially testing times presents a multitude of challenges and your sponsorship is key to ensuring the success and viability of our much loved community event. We offer a tiered sponsorship structure, thus ensuring your business value and recognition for the respective level of support that you contribute.

Placement of signs on show day must be undertaken in liaison with the Secretary; removal of signage is the responsibility of the Sponsor.

We encourage you to consider this range of options and select the combination that provides you with the best fit for your business. Please return the completed form (as attached) and an invoice will be sent accordingly.

We look forward to hearing from you in due course and invite you to contact our Secretary, Rose Tomlin, should you have any questions.

Yours faithfully,
